APPRAISEMENTS IN WALKER CUT

County Board of Review Orders Reduction of 5 Per Cent on Land and 10 on Improvements

TO EQUALIZE ASSESSMENTS

No Taxpayers Appear Today to Object to Ten Per Cent Horizontal Increase in Union Township

The county board of review announced today a reduction had been ordered of five per cent on the 1922 appraised value of all lands and of ten per cent on the 1922 assessed valuation of all improvements in Walker township.

This is a part of the board's procedure to equalize the assessments on real estate and improvements as between townships, the first step in this direction having been taken last Wednesday when an order was issued putting a horizontal increase of ten per cent on all real estate and improvements, as assessed this year for taxation purposes, in Union township.

Today was the day set by the board to hear remonstrators against the blanket raise in Union township, but up until noon no taxpayers of the township had appeared before the board to make a complaint against the order and no notice had been received that any would appear.

The reduction in Walker township was made on the recommendation of Albin Hurst, township trustee, who believed the land and improvements were too high as compared with surrounding townships. The board also acted on the recommendation of H. Lee Wilson, Union township trustee, in ordering the increase in assessments there.

Land and improvements in Walker township have an average assessed valuation of \$153 an acre, as fixed by the township assessor and his deputy, and with the reduction of five per cent on land and ten per cent on improvements, the average on both classes will be \$144 an acre. The naked land averaged \$120.20 on the original assessment, and with the reduction of five per cent the average will be \$109 an acre.

This reduction will put Walker township nearer on a par with townships in the same locality that have about the same type of land and improvements. The land and improvements in Orange township, south of Walker, are valued at an average of \$128.75 an acre.

The average assessed valuation of land and improvements in Posey township, which is north of Walker, is \$136.50. The land alone has an average valuation of \$120 an acre. Land and improvements in Rushville township, east of Walker, are valued at \$151 an acre on the average and the land alone has an average valuation of \$133.

With the horizontal increase in Union township, the average value of land and improvements will be \$138 an acre and land alone will be \$119 an acre.

VIOLATING CITY ORDINANCE

People Leave Trash in Streets For Street Cleaning Department

Mayor Walter R. Thomas today called attention to complaints reaching him of people violating an ordinance in regard to throwing trash and rubbish in the streets for the street cleaning department to gather up. Dried grass and all other rubbish must be taken care of by the property occupants, and the street cleaning department cannot be used to carry such trash, as only a certain week in every year is set aside when the street cleaning department will gather rubbish and cans.

THREE PERSONS DROWN

Evansville, Ind., July 10—The Ohio river was being dragged today in an effort to find the bodies of two girls and one man drowned while swimming last night. The three were members of a party of eight who had gone to the Kentucky shore for a wiener roast. The two girls and another man were rescued.

SECOND 'SHOT' TO BE GIVEN

Company C Men Urged to be Present For Tuesday Night Drill

All members of Company C, Indiana National Guard, are urged to attend the regular weekly drill on Tuesday night at the armory, as the second "shot" of vaccine will be given at that time in preparation for the trip to Camp Knox, the latter part of this month.

The first round was given the men last Wednesday night, and three such doses are necessary. Capt. Will Brann wishes to impress upon the members of the company that those who fail to attend Tuesday night, will have to have the first "shot" repeated because no more than seven days must elapse between them or they will not be effective.

TWO RAILROADS STOP 146 TRAINS

Hampered by Strike of Shopmen and Coal Shortage, Missouri Pacific and Wabash Act

DEPUTIES TO BE SELECTED

Attorney General Daugherty Announces Steps Will be Taken to Protect The Mails

(By United Press)
St. Louis, Mo., July 10—The Missouri Pacific railroad, hampered by the strike of shop workers and a shortage of coal, today discontinued one hundred and four of its regular passenger trains.

At the same time the Wabash railroad announced that it would also discontinue forty-two trains for the same reasons.

This announcement came as national guardsmen on orders of Governor Hyde, prepared to prevent any disorder.

Washington, July 10—A number of deputy United States marshals will be appointed to protect the mail trains in the middle west and southwest divisions Attorney General Daugherty announced today.

Daugherty decided to take this step after a conference with President Harding who sanctioned the move.

"After an investigation and upon request of federal judges, district attorneys and U. S. marshals, I have in the last few days appointed a number of deputy marshals at various places from Chicago, west and southwest, to protect property and life and to prevent interference with the transportation of mail and interstate commerce," Daugherty said.

"This policy will continue wherever justified or required. Law and order must be preserved, property and life protected. Transportation of the mails must not be interfered with and interstate commerce must not be interrupted."

Gen. Smith Investigating

Indianapolis, Ind., July 10—Adjutant General Harry B. Smith was sent to Terre Haute by Governor McCray today to investigate the railroad strike conditions there. No report of trouble has been received from Terre Haute but the governor desires to be familiar with the situation.

General Smith has returned from an investigation of the strike in Fort Wayne, Garret Huntington and Penn. He told the governor there was no sign of trouble.

Refuse To Return To Work

Washington, Ind., July 10—Striking shopmen refused to return to work today in the face of the Baltimore and Ohio's ultimatum that they lose seniority and pension rights by failing to do so. More than 800 men are idle.

Union Man Murdered

Oakland, Cal., July 10—First death here in connection with the shopmen's strike was reported today.

Fred Lutten, machinist in the Southern Pacific shops, who refused to return to work, was shot and killed.

G. O. P. WOMEN OF COUNTY ORGANIZE

Miss Lena Buell is Elected Republican Chairwoman at Meeting Saturday Afternoon

OTHER OFFICERS SELECTED

Women Will Have Separate Organization From Men And Will be on Equal Footing

The first complete county organization of republican women was completed Saturday afternoon when precinct committeemen met in the court house assembly room and elected officers.

Miss Lena Buell of this city was elected county chairwoman, Miss Mary Sleeth of this city was elected vice chairwoman and Miss Hattie Emmons, living southwest of Rushville, was elected secretary of the committee.

The precinct committeewomen had previously been appointed by the republican county central committee. The women's organization will be separate and distinct from the men's organization and will be on an equal footing with the men in the formation of a county advisory committee. This committee will be announced in a few days.

Plans have already been started by the republicans for taking a 90-day poll which they hope to have completed for the county by August 1 or soon afterwards. Blanks for registering voters before the regular registration day have also been distributed among the precinct committeemen.

The members of the women's county committee are as follows:

Ripley No. 1, Joanna M. Gibson
Ripley No. 2, Mrs. Daisy Manche
Ripley No. 3, Leona D. Ball
Posey No. 1, Mrs. Lettie Woods
Posey No. 2, Mrs. N. R. Farlow
Walker No. 2, Amy E. Fox
Orange No. 1, Mrs. Elmer Hungerford
Orange No. 2, Mrs. David Gosnell
Anderson No. 1, Myrtle Ray
Anderson No. 2, Mrs. Mary Jones
Rushville No. 1, Mrs. Scott Hosier
Rushville No. 2, Mrs. Edward
Continued on Page Six

TWO RUSHVILLE MEN ARE SELECTED

Eugene B. Butler and Wilbur Cox Selected to Help Carry on I. U. Memorial Campaign

Bloomington, Ind., July 10—Announcement has been made by President William L. Bryan, of Indiana university, of the selection of Eugene B. Butler and Wilbur Cox, of Rushville, as one of the 175 representative men and women students attending the summer term to carry on the state university's memorial campaign.

The committee is for the purpose of raising funds from private contributions to erect three new buildings on the campus in memory of the university's 2500 men and women in the world war. More than \$600,000 already has been raised for this purpose and the alumni of the university have voted to raise \$1,000,000 more.

Mr. Butler and Mr. Cox and their associates will have charge of the organization and direction of teams to solicit contributions from students. The summer campaign will be similar to that opened last spring by Gov. Warren T. McCray, which resulted in the raising of more than \$400,000 among students on the campus within 30 hours.

GETS AN OVERDOSE OF STRONG DRINK

William Chandler of Richland Found Unconscious Sunday And is Brought to Jail

IS FINED ON TWO CHARGES

Three Civil Suits Involving Two Accounts and a Damage Suit, Also Are Filed Today

An overdose of something strong to drink caused the arrest Sunday evening of William Chandler of Richland, who pleaded guilty this morning in Justice Stech's court of two charges, one for intoxication and the other for assault and battery.

His fine of \$1 and costs in each case, amounting to \$9.25 was paid this afternoon, after the defendant had remained in jail since late Sunday. He was charged with attacking a young man by the name of Webster, on the road north of Richland.

Sheriff S. L. Hunt was called and arrested the defendant at his home. He was said to be unconscious, and had to be brought to the jail.

Three civil suits have been filed in Justice Stech's court. The Blue Diamond Coal Sales Company has filed a suit on an account against Deloss M. Baldridge of Arlington, and this suit will be tried on July 17.

The H. P. Rawlings Wall Paper Company is plaintiff in a suit against Joseph O. Hall, a resident of Milroy, the complaint being on account and with the demand at \$50. This suit will be tried on July 14.

Paul McDaniel, a butcher of Milroy, is also plaintiff in a suit filed against the same defendant, the complaint being for \$50 damages. The plaintiff is alleged to have purchased a meat shop from the defendant, who told him that the equipment was paid for in full, but the plaintiff now alleges it was only partly paid for, and he has been forced to make the payment of the account originated by the defendant. This case also will be tried on July 14.

NORRIS ROAD BOND ISSUE IS APPROVED

State Board of Tax Commissioners Denies Petition For Smelser Road, However

BOTH IN NOBLE TOWNSHIP

Phil Wilk, county auditor, today was notified by the state board of tax commissioners that the petition for a bond issue of \$33,000 to construct the W. A. Norris road in Noble township had been approved and that a similar petition for a bond issue of \$33,400 to building the Harvey Smelser road in the same township was disapproved.

Both road petitions were filed with the county board of commissioners about the same time and both were approved. Remonstrances against the issuing of bonds were filed in each case and a hearing on both of them was held here several weeks ago by a representative of the state board.

It is understood that the report made to the board following the hearing tended to show that there was not any great need for the Smelser road, but that the building of the Norris road was imperative, because it was practically impassable all of last winter and spring.

The plans and specifications call for crushed gravel in the construction of both roads.

KILLS HUSBAND

Gary, Ind., July 10—Mrs. Pete Nokovich today shot and killed her husband. She told the police Nokovich came home drunk and started to beat her and abuse their six-month-old baby. The man got a gun but she obtained possession of it and killed him. She was released.

SUES WIFE FOR A DIVORCE

Wm. Shane Files Complaint Against Bertha Shane

William Shane is plaintiff in a suit filed in circuit court against Bertha Shane, the complaint being for divorce.

He alleges that they were married in June, 1917, and separated on March 18, 1921, and that during their married life his wife was guilty of cruel treatment, in that she cursed him, used profane language and was guilty of adultery and associating with other men for immoral purposes.

ARBITRATION IS HARDING'S PLAN

Makes Proposal to Submit Mine Strike Controversy to Federal Commission of Eleven

AUGUST 10 AS TIME LIMIT

If New Wage Scale is Not Agreed Upon by Then, Present Scale Would Continue Until 1923

(By United Press)

Washington, July 10—President Harding today proposed federal arbitration of the nation wide mining strike.

Before the conference of miners and operators at the White House, the executive suggested that the dispute be submitted to a federal commission composed of three operators, three miners and five persons, to represent the public. The president would appoint the public representatives.

Harding also again demanded that the operators and miners resume mining operations pending the findings of the commission. The commission would have until August 10 to arrange a new wage scale, according to the Harding plan. In the meantime, the old wage scale would be effective and the men would return immediately to work.

If a new wage scale can not be agreed upon by August 10, the president suggested that the present scale could be continued until 1923. He asked that the two factions give their answer tonight and John L. Lewis immediately called a meeting of the mine conference to consider the president's new proposal.

The plan suggested by the president was complete arbitration of the strike.

The commission would also make an exhaustive inquiry into the mining industry which has been the source of recurrent strike during the last ten years. The president said he was hopeful that in this manner industrial peace in the industry would be obtained.

LAST RITES HELD SUNDAY

Funeral of Joseph Huntington, Moscow Business Man and Farmer

The funeral services for Joseph Huntington, prominent retired farmer and business man of Moscow, who died Friday afternoon of Bright's disease, were conducted Sunday afternoon at 2:30 o'clock at the Moscow Christian church by the Rev. Lauren Tillison. Burial took place in the church cemetery.

Mr. Huntington had been a resident of Rush county for the past 53 years and many residents of the county will recall Mr. and Mrs. Huntington's experience during the flood of 1913. At that time they were trapped in their home by water and were forced to cut a hole through the roof of the house to escape.

The survivors are the widow, one son, Laury of Moscow, two daughters, Mrs. Roxie Marsh of Milroy and Mrs. Lumen Stout of Howard county; one sister, Mrs. Sarah Jane Tait of Delaware, Ind., and two half brothers, George and John Huntington, both of Delaware, Ind.

WEDNESDAY SET AS A "DEAD LINE"

Boys Who Wish to Attend Summer Camp Urged to Sign up by That Date if Possible

EXCUSES MAY BE ACCEPTED

Youngsters Required to Pay \$4 to Treasurer Saturday—Fund is Climbing Slowly

BOYS CAMP FUND

Previously reported	\$203.05
Cash	5.00
Cash	15.00
A. L. Gary	5.00
George Greisser	10.00
Total	238.05

All boys between the ages of ten and sixteen years who have not applied for admission (and registered for the boys' summer camp to open one week from Wednesday, July 19, on the P. A. Miller farm, southwest of the city, are urged to be at the Graham Annex gymnasium Wednesday afternoon at one o'clock as the committee in charge of the camp wish to get a definite idea of the number of boys who may be expected to attend the camp.

Boys desiring to attend the camp, who have a legitimate excuse, will be permitted to sign up for the camp after Wednesday, but the committee have in mind the fixing of Wednesday as a "dead line" so that they can go ahead with their preparations for equipping the camp.

Boys who have applied for admission to the camp will be required to pay \$4.00 to the treasurer of the general committee, Wilbur Stiers, at the Rushville National Bank, Saturday. They will receive from him a receipt which will entitle them to admission to the camp. At the outset, it was decided to charge each boy \$4.00 a week as his share of the expense of outfitting and operating the camp, but when it was changed to a ten-day camp, running from July 19 to 28, the committee decided to charge each boy only \$4.00 for the whole period.

The camp fund mounted to near \$250.00 today, but it is still far short of what has been roughly estimated as the probable expense of the camp. Because the contributions are not coming in as rapidly as they were expected, members of the committee have been assigned to see certain persons who have not contributed and they will be solicited for a donation.

The second of the series of Ki-Ro baseball games Thursday afternoon is expected to add more money to the fund than the first game. Many things militated against the opener to keep down the size of the crowd. It was only two days after the Fourth, which was a general holiday, and many for this reason found it impossible to leave their work.

MRS. IDA SAUNDERS DIES

Wife of Theodore Saunders Expires of Cancer Sunday Night

Mrs. Ida Mae Saunders, age 58 years, expired Sunday night about eight o'clock at the family home, 624 West Fifth street, death being caused from cancer, of which she had been suffering for several months. The deceased was the wife of Theodore Saunders, who with three sons survive.

The sons are Joseph S., Roy B., of this city and Harley C. of Indianapolis. A brother, Samuel McInturf of Kokomo, also survives.

The final rites will be solemnized at the late residence Tuesday afternoon at 2:30 o'clock, with interment in East Hill cemetery.

RIGHT ARM IS BROKEN

Ralph Newbold, son of Mr. and Mrs. A. N. Newbold, living in Jersey City, sustained a broken right arm Sunday evening, while attempting to crank an automobile. Both bones were broken in the arm, near the wrist.

James P. Humphreys, well
known automobile man of Heb-
ron, Md., who declares he be-
lieves Tanlac is the best thing to
overcome stomach trouble and
run-down condition. States it
completely restored his health.

"I believe in giving everything its
due and I want to say right now I
just can't praise Tanlac too highly
for what it has done in my case,"
declared James P. Humphreys, prop-
rietor of the Hebron Motor Co.,
Hebron, Md.

"For three years or more I suf-
fered from indigestion. After eating
I would bloat terribly with gas and
my heart would palpitate until it in-
terfered with my breathing. I was
habitually constipated and my
nerves were all upset. My sleep
was unsteady, I got up mornings all
tired out, and I was only a shadow
of my former self.

"Well, Tanlac has given me a
keen appetite, stomach trouble has
disappeared, my nerves have stand-
ed down, and I have gained several
pounds. Tanlac, to my mind, is the
best thing ever sold for stomach
trouble and run-down condition."

Tanlac is sold by all good drug-
gists.—Advertisement.

MUSKRATS WRECKED A LARGE MILL DAM

Dam Gave Way Across Deep River
in Porter County and Water In-
undated Surrounding Lowlands

GNAW AWAY FOUNDATION

Deep River, Ind., July 10.—Muskrats
wrecked a large mill dam here
across Deep River, which runs
through Porter county, it was de-
termined by state highway engineers
today.

The dam gave way and the im-
pounded water for a short time in-
undated the surrounding lowlands.
It was discovered that the muskrats
had gnawed away the founda-
tion.

The highway commission had just
completed a bridge in the wake of
this torrent and the flood waters rolled
over it, but without moving it a
fraction of an inch.

This was due to the fact that en-
gineers had noticed the dam's weak-
ness foresaw the inundation and pre-
pared for the emergency.

They built the bridge over-strength
to buck the shock.

Engineers should assume a moral
obligation to see that no inferior
construction is permitted in Indiana,
officials of the state roads body
said. In order that the maximum of
strength with the minimum of cost
be reached all plans should be ap-
proved by experts they said.

The original Deep River dam was
built in 1836.

MARY N. FORSYTHE IS DEAD

Funeral Services are Held For Wo-
man at Milroy Home

The funeral services for Mrs.
Mary N. Forsythe, aged 89 years
who died Thursday evening at her
home in Milroy from a complication
of diseases, were held Saturday
afternoon at the late residence and
burial took place in the East Hill
cemetery, this city. The deceased
was well known in Milroy and was a
member of the Christian church
there.

The survivors are two sons, Lon
Forsythe, of Dayton, Ohio, and Lee
Forsythe, of Ottawa, Kansas; three
daughters, Mrs. India Whitinger of
this county, Mrs. Laura Hill, at
whose home she died, and Mrs.
Maggie Kennedy of Indianapolis;
one brother Jacob Query and one
sister Miss Lucinda Query both of
Shelbyville.

DOUGLAS FAIRBANKS presents

THE THREE MUSKETEERS

Adaption, Costuming, Research under Edward Knoblock
Direction under Fred Niblo
Photography under Arthur Edson

With nothing that has ever been done in the vast multitude of films given to the world, can you fairly compare this supreme picturization of a story that has made millions of men and women in every country on the face of the earth laugh and sob with unforgettable emotion. And Douglas Fairbanks, as the noble D'Artagnan has caught, with rare feeling, that indescribable something that enables him truly to live the part.

"ALL FOR ONE, ONE FOR ALL"

Admission 15 and 25 Cents.

Clean and DRY for the line without a wringer

THE Laun-Dry-Ette has no wringer. It washes the clothes, and whirles the suds out; it rinses them and whirles the rinse water out; it blues them and whirles them dry for the line—a whole tubful at a time.

The Laun-Dry-Ette saves work on wash day because it dries as well as washes. It saves work on mending day because it never smashes buttons or injures the daintiest fasteners. The Laun-Dry-Ette does not require extra tubs, because both the washing and the drying are done right in the

Laun-Dry-Ette itself. The Laun-Dry-Ette prevents red hands, because it makes it unnecessary to put your hands in the water even once.

We invite you to come to our store and see the Laun-Dry-Ette do a regular washing. If you can't come, please phone or write.

FOOD PRICES GO UP AGAIN

Survey of 22 Cities Shows Upward Trend in Cost of Living

Washington July 10—Food prices are on the way up again, labor department figures for 22 cities, made public today showed.

Eighteen of these cities registered increases from one to three per cent for the month ending June 15, over the preceding month. Three cities showed fractional decreases and one reported prices unchanged.

Prices in these cities June 15 were 2 per cent higher to eight per cent below the prices on June 15 last year, but from 37 to 55 per cent higher than in 1913, the year before the war.

REBELLION HAS ENDED

Fort Copacabana, Brazilian Stronghold, Capitulated.

Rio De Janeiro, July 10—Fort Copacabana, last stronghold of Brazilian insurgents who attempted a military coup d'etat Wednesday, capitulated after a severe bombardment, and the rebellion is completely at an end, the United Press was officially informed today.

The insurgents, who held out grimly for two days against overwhelming odds surrendered unconditionally, it was announced.

Some insurgents in Fort Copacabana entrenched themselves and fought until the last man fell, according to one report.

ENTERTAIN AT DINNER

Mr. and Mrs. Orville Cruse entertained with a prettily appointed dinner party Sunday. The guests were Mr. and Mrs. Harvey Miller, Mr. and Mrs. Henry Miller, Mrs. Pete Johnson, Allen Daniels and Mrs. Lulu Williams and Mrs. Sarah Adams of Anderson.

SAFETY WHILE ASLEEP:—
I will both lay me down in peace,
and sleep: for Thou, Lord, only
makest me dwell in safety.—Psalm
4: 8.

A Fallen Hero

It may be unfair to compare Babe Ruth with Fatty Arbuckle, yet there seems to be something in common between the two. Both have been famous, high-salaried and highly popular entertainers. Both have fallen under a cloud, though the baseball player as yet has not suffered the professional and moral obscuration of the movie actor. Ruth should profit by the fate of Arbuckle before it is too late.

Possibly the public has been somewhat unfair to Ruth. There is always a certain fickleness in public favor. When agreed or disappointed, it may plunge a hero as low as it formerly raised him high. Yet Ruth

undeniably has given great provocation. His conduct on several occasions recently, when an umpire's decision displeased him, has been outrageous. If baseball is to be kept clean, the authority of umpires must be respected and ballgrounds must be kept free from foul language.

Hard hitting is not everything. No man can be a great ballplayer without being a good sport. Ruth will have to show himself a better sport than he has so far this season if he wants to regain his former place in public esteem.

In the meantime, the disfavor visited upon him is good for baseball. It proves that no man is bigger than

the national game. The effect will not be lost on other players, however it may affect Ruth himself.

Do It Today

Do it now. Make that your rule of life and success will be assured.

Many of the failures in the business world are caused by short sightedness and procrastination. Putting it off until tomorrow means that in many cases it is never done, and it is the things that are not done that cause the receipts to dwindle until a business is eventually wrecked.

It is just as easy to do it today as it is to put it off until the last minute. It is far more pleasant and decidedly more satisfactory.

The world is full of physical and commercial wrecks. The man who is a physical has-been couldn't go to the doctor in time, and the fellow who is down at the heels financially depended upon a tomorrow that never comes.

Do it now.

NO DRY U. S. FOR 25 YEARS

Cem. Haynes Estimates Quarter of Century For Dry Country

Washington, July 10—The United States will not be dry for 25 years, Prohibition Commissioner Haynes today estimated for the United Press.

While the country is theoretically dry under the prohibition amendment, it cannot reach a state of complete aridity until all liquor supplies are exhausted. Approximately 38,000,000 gallons of liquor remain in federal warehouses and at the present rate of consumption for medicinal purposes, it will require 25 years to exhaust the supply.

PAY TELEPHONE TOLL

Don't overlook to pay your telephone toll before July 12 if you wish to avoid paying 15 cents extra for collection. No notice will be given by telephone. M. V. SPIVEY, Secretary.

10 and 20 Year Farm Loans. No commission charged. Liberal annual payment. O. A. Maple, over Bodine's. Phones 2430-1918.

TAIL LIGHTS WIN
OVER ST. PAUL TEAMPlaying Airtight Ball, Locals De-
feat Visiting Legion Team Sunday
by Score of 9 to 2.

FULTZ HAS ALL THE STUFF

Lets Opponents Down With Six
Hits And Two Walks—Tail Lights
at Greenfield Next Sunday

Playing airtight ball and hitting when hits were needed, the Tail Lights beat the St. Paul Legion team here Sunday afternoon by the score of 9 to 2. The Tail Lights defense was much better Sunday than it has been in the last two or three games.

Fultz, the new pitcher, again showed himself to be good by letting St. Paul down with six hits and two walks. Next Sunday Rushville goes over to play a return game with Greenfield and it is hoped that a large crowd of local fans will follow the team. With Fultz pitching, the Tail Lights have an equal chance to win.

The game yesterday, play by play, was as follows:

First Inning

St. Paul—Champ batting for Favors, who had not yet arrived, hit to left center for a single. Morgan hit into a double play. Platt doubled to center, but was out stealing third. No runs, two hits, no errors.

Rushville—Conway walked. Joyce sacrificed him to second. Sharp flied to left and Byrne ended the inning by grounding out to second. No runs, no hits, no errors.

Second Inning

St. Paul—Rutherford was safe on Shaw's error and stole second. Fultz tightened and fanned D. Favors and McComas. Waincott hit a long fly to right which Smith easily gathered. No runs, no hits, one error.

Rushville—Fultz walked. McCarty fanned. Smith grounded out to third. Fultz reaching third base on the play. Shaw singled to left scoring Fultz. Shaw stole second. Pearsey hit to third base and Shaw was caught for the third out. One run, one hit, no errors.

Third Inning

St. Paul—Moore fanned. Garrett flew out to left. Favors doubled and was out trying to stretch it. Joyce to Shaw. No runs, one hit, no errors.

Rushville—Conway walked. Joyce advanced him with a clean single to left. Sharp flied out to center. Byrne hit one of Garrett's fast ones for a home run driving in Conway and Joyce ahead of him. Fultz fanned and McCarty was thrown out by the pitcher. Three runs, two hits, no errors.

Fourth Inning

St. Paul—Platt doubled. Rutherford walked. D. Favors scored both men with a long single. Fultz again tightened and fanned the next three batters. Two runs, two hits, no errors.

Rushville—Smith walked and went all the way around on three wild pitches. Shaw and Pearsey fanned and Conway grounded out to the first baseman. One run, no hits, no errors.

Fifth Inning

St. Paul—Garrett flied out to third. Favors walked. Favors was left stranded at first when Morgan grounded out to Joyce and Platt was thrown out by Byrne. No runs, no hits, no errors.

Rushville—Joyce singled and Sharp duplicated with a single. Byrne drove them both home with a long triple to center. Fultz scored Byrne with a double and McCarty fanned. Tyler hitting for Smith, sacrificed Fultz, and Shaw fanned. Four runs, four hits, no errors.

Sixth Inning

St. Paul—Rutherford out, Conway to McCarty. D. Favors grounded out to pitcher. Byrne made a pretty play on McComas' slow roller in front of the plate. No runs, no hits, no errors.

Rushville—Pearsey flied to left. Conway and Joyce grounded to the pitcher for easy outs. No runs, no hits, no errors.

Seventh Inning

St. Paul—Waincott was hit by Fultz. Moore fanned. Davis fanning for Garrett, hit to Fultz. Favors struck out. No runs, no hits, no errors.

Rushville—Sharp singled. Hobart batting for Byrne, hit into a double play. Fultz singled. McCarty out,

Davis to Waincott. No runs, one hit, no errors.

Eight Inning

St. Paul—Morgan singled. Platt flied to Sharp. Rutherford flied to Sharp and Morgan was doubled off of first base. No runs, one hit no errors.

Rushville—Shaw and Pearsey fanned and Conway grounded out to second.

Ninth Inning

St. Paul—McComas fanned. Waincott out, Fultz to McCarty. Moore hit to short and was thrown out. No runs, no hits, no errors.

The summary: stolen bases Byrne, Fultz; two base hits, Platt 2; three base hit, Byrne; home run, Byrne; double plays, D. Favors to Garrett to Waincott; hit by pitcher, by Fultz (Waincott); base on balls, off Fultz 1, off Garrett 4. Struck out, by Fultz 9, by Garrett 3, by D. Favors 4. Hits off Fultz 6 in 9 innings; off Garrett 5 in 5 innings; off D. Favors 4 in 4 innings. Time of game 2:20.

GAMECOCKS 2 GAMES AHEAD

Forge Out in Front When They De-
feat Morgan Street Blues Sunday

The Gamecocks walloped the Morgan Street Blues Sunday afternoon in a game played at the city park by the score of 14 to 8. Ryan was pounds for 14 hits and McMillan, who relieved him was nabbed for six hits. R. Newbold and W. Newbold worked for the winners. This victory puts the Gamecocks two games ahead of the Blues as a result of a victory July 4. These two teams will play again next Sunday on the city park diamonds.

TILDEN AGAIN VICTOR

Indianapolis, July 10.—William Tilden II, of Philadelphia, tennis champion of the world, won the national claycourt laurels here yesterday. He defeated Zeno Shimizu, member of the famous challenging Davis cup team in 1921, in the finals of the tournament here in three straight sets, 7-5, 6-3, 6-1.

LEGION TO HOLD
OLYMPIC GAMESTo be Held Each Year in Connection
With The Annual National Con-
vention of American Legion

FIRST TO TAKE PLACE OCT. 16

Each State in Union Will Enter at
Least Ten Athletes, While Illinois
Will Send 38

(By United Press)

Indianapolis, Ind., July 10.—The Olympic games of America will be held each year in connection with the annual national convention of the American Legion, according to plans being drawn up here by the newly appointed athletic commission of the service men's organization. The legion commission is made up of J. R. Murphy, former University of Iowa football star, chairman; Grandland Rice, sporting editor, New York Tribune; Sam H. Meekin, sporting editor, Louisville Chicago, former Washington and Courier-Journal; Frank Plannery, Jefferson star, and Millard F. Kohler, the legion's director of athletics in Kansas. Al C. Lindberg, Chicago, former ten-second man of the University of Illinois track team, varsity football end, semi-pro baseball pitcher, boxer and athletic coach, has been named secretary of the commission.

The first American Olympic contest will be held during the legion's national convention in New Orleans, October 16 to 21. Each state in the union will enter at least ten athletes while Illinois has promised to send 38 and New York will send that many if not more. The big feature of the New Orleans games will be the water events, which will include plain and fancy diving, speed and endurance events and a new departure of canoe racing. The program also will include golf and tennis tournaments boxing wrestling and track and field events.

Every contest provided for in the Inter-allied Olympic will be held during the initial American Olympic according to Secretary Lindberg's announcement as well as many not included in the former program. In addition, there will be track, field, water, golf and tennis events for women of the legion and its auxiliary.

A premier attraction of the New Orleans games, Lindberg says, will be a decision bout between Bob Martin, heavyweight champ of the A. E. F., and Capt. Roper, heavyweight champion of the army that didn't get across. These men have never met in the ring. Ex-soldiers who got to France are solid behind the A. E. F. champ, while Roper's backers declare he is a better man than Martin even if he didn't get a chance to work on the enemy.

A bout is also planned between Johnny Buff and Pal Moore to determine the bantam championships. Other fighters who served in the armed forces of the United States during the world war and who will appear at New Orleans are Harry Anderson, Iowa bantam; Mike O'Dowd, Happy Littleton, Sergeant Smith and Harry Greb.

The motive underlying the formation of the national athletic commission of the legion, according to Secretary Lindberg, is the glorification of amateur athletics in the United States. It is the commission's aim to raise the standard of amateur athletics as distinguished from professional athletics, to revive interest in "sandlett" competition and to cause the youth of America generally to take part in sports and competitions rather than to watch professionals from the sidelines.

"American athletes walked off with almost every event in the inter-allied games held at Pershing stadium in Paris in July 1919, and we have collected most of them into the legion," Secretary Lindberg declares. "There is no reason why we cannot have an American Olympic each year, with these inter-allied prize winners to set the pace. I believe we can develop record-breaking athletes in every state, and then develop a host of international record breakers at the annual national competition."

RUINED BY VITRIOL

Paris. In one day, seven women had their clothes ruined by vitriol thrown on them while the wearers were in a crowd. The victims during recent weeks number 500.

SUZANNE TRIUMPHS
AGAIN ON THE COURT

Wimbledon, England, July 10.—Victory again shone on the black locks of Miss Suzanne Lenglen, the world's woman champion, today when she scored another triumph over her rival, Mrs. Molla Mallory, the American champion.

Paired with the Australian, Pat O'Hara Wood, in the third round of the mixed doubles, the French star defeated the American team. Mrs. Mallory and Dean Mathey at 6-2, and 6-4.

The Score Board

Yesterday's hero—Tris Speaker tied the score in the ninth and was responsible for two in the thirteenth inning that gave the Indians a 9 to 7 victory over the Yanks.

Jack Daubert hit a homer and three singles, helping the Reds down the Phils, 9 to 3.

Washington got sixteen safeties off three Detroit pitchers and won 13 to 7.

The Cardinals scored three runs on a rally in the ninth inning and beat the Robins, six to five.

The Cubs made it four in a row by defeating the Braves, 7 to 2.

WINS MEN'S TENNIS TITLE

Wimbledon, England, July 10.—Gerald P. Patterson, veteran star of the Australian Davis cup team won the men's tennis championship of the world here today when he defeated Randolph Lycett, British at 6-3, 6-4, and 6-2.

By HENRY L. FARRELL
(United Press Sports Editor)

New York, July 10.—Like Morvich, the \$500,000 beauty of the turf which went begging around for a home before he found a barn open, Jimmy O'Connell, the \$75,000 rookie bought from San Francisco by the New York Giants, had a battle to find a place to work, according to Joe Devine, major league scout.

Back in 1919, Devine was running around singing in manager's ears the praises of the youngster he had seen savouring around the Sacramento sand lots.

Five managers in the Pacific Coast League were too busy to pay attention to a rookie and O'Connell kept battling around the sand piles.

Finally he was grabbed by San Francisco and he developed into a star, first baseman and a great hitter.

All the major league clubs went after him but the Giants, with the biggest roll, stepped in and nabbed him for 1923 delivery.

O'Connell was switched from first base to the outfield this year and has been playing a great game, as well as batting like a big wind.

The Giants are sorely pressed for an outfielder and it is understood that McGraw is trying to get the San Francisco club to deliver him the middle of the season, instead of waiting until next spring.

Another prize is said to be lurking on the coast in the person of "Buzz" Arlett, a young right handed pitcher, with the Oakland Club.

He has been offered to four major league clubs in a deal involving only players.

Del Howard, business manager of the club, says that when the deal is completed the players involved will represent a sum equal to the O'Connell and Kamm purchases.

Speaking of O'Connell and Kamm, Danny Long steps in to claim the scout championship of the world.

Long claims to have uncovered close to a million dollars worth of ivory in his mining operations around the bushes.

He claims Kamm, Frank Chance, Hall Chase, Duffy Lewis, Babe Ruth, Ping Bodie, Cravath, Claude Williams, Swede Risberg, Charley Street and Fred McMillan.

Several of which he mentions in

whispers and explains that they didn't act that way when he found them.

Don Lourie, All-American quarterback in 1920 and one of Princeton's greatest athletes is going to enter the ministry.

He will not feel alone, as some celebrated athletes have taken the collar.

Rev. Fred Thomas Los Angeles was once the American all-round champion, and his brother, S. Harrison, present all-round champion, is preparing for the ministry at Princeton.

Rev. "Hall" Cntbill, Boston, is one of the finest American distance runners.

Bob McMillan, famous All-American back from Centre. College and several of his equally noted teammates have left the college of the "prairie Colonels", but they're going to have another good team down that in "Kaintuck", according to Charley Moran, coach of the team.

"Uncle Charley," who spends his summers umpiring in the National League, says he is going to build his 1923 eleven around "Red" Roberts, All-American end and captain-elect of the team.

"We are getting plenty of good freshman material since little Centre started to step out and there is no reason why we should go back to oblivion, because we lose a few stars.

"We are getting good assistant coaches and the future looks just as bright as the past two years have been," he said.

The Cincinnati Reds, refusing to meet the salary demands of Eddie Roush, are letting him push the plow on the farm instead of pushing the pill for a club that needs it badly.

Tom Swope, a Cincinnati sport editor, recently struck an interesting angle on the salary controversy when he figured that the Reds for the mere matter of \$3,000 were keeping out of the lineup a player with a grand batting average of .337 and a great fielder.

For five years Roush has an average of .337, while during the same period Rogers Hornsby has been only a little better with .343.

The Reds could get a player of that type for \$3,000. What would such a player mean on the open market.

New Barnyard
Calf Champion

Chicago, July 10.—The windy city stood open mouthed today as it watched the performance of the newest conquering champion invader.

Frank Jackson, Kellerton, Iowa, chief of the barn yard golf artists, took all comers. And the way he took them!

Jackson is concededly the class of the horseshoe pitcher.

Chicago put its best against him, and although they made ringer after ringer, they couldn't score. Jackson crowned every ringer.

One out of every two horseshoes Jackson pitches, on an average, is a ringer. He made 19 in one game.

Everytime he pitches a two and one half pound shoe, it turns over two and one half times in a flight of forty feet and lights with the calks facing the peg.

Jackson has made a life study of the game. When he plowed on the farm, he carried a pair of horseshoes with him and pitched them at the corn stalks for practice while the horses rested.

What Mrs. Molla Mallory is to tennis, Jackson is to horseshoes—only more so.

Chicago—When Doris Sparks, 16, eloped in the family flapper with John Conti, papa Sparks had Conti arrested for stealing the car. The father later relented, put up Conti's bail and installed him as a member of the household.

SOCIETY

Edited By Miss Edna Krammes
Phone 1111

Mrs. Austin Frazee will be hostess to the members of the Happy-Go-Lucky club Wednesday afternoon at her home in North Main street. All the members are cordially invited.

Mr. and Mrs. Russell Ruff entertained at their beautiful country home near Glenwood with a three course dinner Sunday. Mr. and Mrs. Paul Foster and sons Emerson and Miss Dorothy Johnston of Richmond.

The Loyal Daughters of the Main Street Christian church will be entertained Tuesday evening at the home of Mrs. Scott Hosier, in East Eighth street. The assisting hostesses will be Mrs. Ellis Downey and Mrs. Harry Allen.

The Helping Hand Society of the Homer Christian church will hold their regular meeting Thursday afternoon, July 13, at the home of Mrs. Jesse Black in Homer. Every member is requested to be present for this meeting.

Mr. and Mrs. John Boyd entertained at their home in Circleville Sunday. Mr. and Mrs. F. B. Boyd and Mr. and Mrs. Charles Boyd of Indianapolis, Frank Robinson of Chicago and Mr. and Mrs. Harry Hall of this city.

Mrs. L. H. Krammes will entertain the members of the Ladies Aid Society of the Pleasant Ridge M. E. church Wednesday afternoon at her home southwest of the city. All the ladies of the organization are invited and urged to attend this meeting.

Mr. and Mrs. Karl Kennedy entertained with a prettily appointed high noon dinner party Sunday at their home in North Harrison street.

THAT BAD BACK

Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys Rushville residents recommend Doan's Kidney Pills. Read this Rushville statement.

Mrs. Maggie Teeters, 931 N. Sexton street, says: "I can say a good word for Doan's Kidney Pills as they have always given me the best of results. I used Doan's when I had an attack of kidney trouble. My back was lame and sore and it was hard for me to do my work on account of the sharp pains in the small of my back. My kidneys were weak and became too free in action. I used Doan's Kidney Pills and they gave me instant relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Teeters had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Advertisement.

The guests were Mr. and Mrs. E. W. Hamilton and daughter, Miss Grace and sons, Chester and Hall of near Connersville, and Mr. and Mrs. George Watt of Waterloo.

Mr. and Mrs. Howard M. Pike and daughters Frances and Effie Lavonne of Glenwood were the weekend guests of Mr. and Mrs. Robert L. Pike and Mr. and Mrs. William Kersey of Gaillard Avenue, Indianapolis. The party formed a picnic party Sunday and went to Camp Esther near Acton and enjoyed the day fishing and bathing.

The Loyal Women's class of the First Presbyterian church will enjoy a picnic at Webb's Ford Tuesday afternoon. All the ladies of the class and Sunday school teachers are invited to the outing. Those who have no way to attend the picnic are requested to meet at the home of Mrs. Ed Beer, corner Fourth and Morgan streets, at two o'clock Tuesday afternoon.

A dance will be given at the Elks club tonight under the auspices of the Elks house committee and music will be provided by Wright's orchestra of Columbus, Ohio. On account of a new rule adopted, only Elks and young men under twenty-one years of age living in Rush county, who have invitations, will be admitted. Anyone living outside of the county will be welcome as guests of members of the local lodge.

Edward Benedict and daughter, Miss Elizabeth had as their dinner guests Sunday at their home in West Fifth street, Mr. and Mrs. J. T. Heaton of Connersville and Mr. and Mrs. Roscoe Baker and daughter, Miss Artis of San Antonio, Texas, George Masou of Indianapolis, Mr. and Mrs. B. J. Jones and family, Mr. and Mrs. Roy Mitchell and son Daniel, Mr. and Mrs. Clay Benedict and family. Roses adorned the center of the table and music was enjoyed during the day.

FASHION NOTES

By HEDDA MOYT

A New York actress, who imitates Lenore Ulric's Kiki in a Broadway summer show, comes out in all white gossamer made just exactly like the old winter gossamer. But, Oh, my! Believe me, they're Darbs!

Almond green is one of the newest shades and many of the designers are making use of it for their fall evening and dinner gowns.

Gray is one of the most noticeable shades worn of late for both formal and informal wear. One often sees it touched up a bit with cherry red. It may be red piping on the grey shoes that carries this color note or a bright red hat or parasol.

Little capelets that match the gown are worn in place of fans for outdoor wear this summer. Sometimes they are merely circular panels which attach at the shoulders and fall to the waist line in the back. They may even be scarfs that attach at one shoulder and are thrown about the neck falling in one long, fringed end in back.

The large flop hat, with the floral wreath is again worn with the summer frock.

"All is not gold that glitters." It may be a fall hat that glitters for Dame Fashion decrees that our headgear be entirely composed of glittering metals or studded heavily with cut steel, bronze or tinsel. It may be made of metallic ribbon or gold embroidered materials but above all it must glitter.

Mystic Today and Tuesday

The flapper craze that has gripped the young girlhood of the nation turns more than usual attention toward those who portray these blithesome characters on the stage and screen. Doris May, for example is recognized as the truest delineator of the character now devoting her efforts to the screen. In her most recent comedy "Gay and Devilish", released by R-C Pictures, she is said to portray the flapper at her best. "Gay and Devilish" is scheduled for showing at the Mystic Theatre today and Tuesday. Colleen Landis, Jacqueline Logan, Otis Harlan, Bull Montana, Kingsley Benedict and others appear with Miss May.

to strike, was found dead this morning at the foot of the stairs in his rooming house. His skull was fractured.
Police believe Lutden was murdered. No arrests have been made.

Discontinues 21 Trains

New York, July 10—The Erie railroad announced discontinuance of twenty-one local trains in and out of New York City today.
The railroad's announcement placed responsibility for the curtailment upon a shortage of coal, while shopmen declared it was due to their strike.

Defy Road's Ultimatum

Princeton, Ind., July 10.—Four hundred striking railway shopmen defied the ultimatum of the Southern today that they lose their seniority and pension rights if they failed to return to work. None returned to their jobs.

Indianapolis—"I have a toothache," said a man with a red bandanna around his jaw to Claude Smith. "I want to call a dentist. Can I use your phone?"
Claude was mixing pancake batter for his restaurant customers. "Go ahead, sure Mike," said Claude.

DEMOCRATS AFTER SCALP OF LODGE

Pow-wows Are Order of Day in Boston And Democrats Unite to Defeat The Senator

HAS STRONG G. O. P. BACKING

Sherman L. Whipple, Democrat and Brilliant Lawyer in New England, Will Oppose Senator

(By United Press)

Boston, July 10—Medicine men of the Democratic party in Massachusetts are busy concocting a political sleeping potion which they hope to administer to Senator Henry Cabot Lodge in the election next November.

Pow-wows are the order of the day and Democrats are being urged to stand together, forget petty party quarrels and unite to defeat Senator Lodge.

The opposition on Lodge—and it is stronger by far this year than ever before—is becoming tangible as the campaign grows. His enemies who have been stalking him in the political underbrush, now are coming out into the open field prepared for what they hope will be a killing.

But Lodge has not been senator from Mass. for years for nothing. His following is very strong and leaders of both parties know that he will not poll a heavy vote. It is a foregone conclusion that Lodge will have strong backing from the newspapers of the state and the old standpat Republicans.

Sherman L. Whipple, a Democrat and one of the most brilliant lawyers in New England, has announced he will oppose Lodge. And Colonel William A. Gaston, another

power in the Democratic fold, has also whirled his hat into the ring. There have been vague rumors of Whipple withdrawing as a result of Gaston's action, but just now such reports are denied.

Many Democratic leaders hold that if anyone in the party can "dislodge" the senator, Whipple is the man. However, Whipple, so far as his candidacy is concerned, has been sought after rather than seeking and it is doubtful whether he would consent to "carry on" unless he is assured of the united support of his party. Candidates have until August 11 to withdraw and much may happen before that date. The primaries occur September 12.

Republicans here look with a good deal of anxiety on the possibility of Former Governor Samuel W. McCall running as an independent Republican against Lodge. McCall has denied that he will run. Nevertheless both Republicans and Democrats—the former anxiously and the latter hopefully—are watching him, despite his statement that he won't be a "sacrifice candidate."

While the Republicans are not afraid of McCall being elected, they fear that he might poll enough votes to split the total and give the Democratic candidate a winning margin.

There is a certain element in his own party that is displeased with Lodge. As a result there has been a good deal of talk of finding an "outstanding" Republican to oppose him. So far no one has been settled upon.

Russell A. Wood, president of the Anti-Lodge Club of Massachusetts, and a group of Lodge's enemies of the party, recently launched a campaign to defeat him. Lodge's vote to seat Senator Newberry was made the issue and the "flying wedge," as it was termed, plans to carry the campaign to every city and town in the state.

Reports drifting north from

Washington have it that Lodge will do no active campaigning and that he will allow the Republican organization to do the stumping for him.

The gubernatorial fight bids fair to develop a little war of its own. Governor Channing H. Cox is in the fight for re-election. But Attorney General J. Weston Allen, who gained fame from his war on corrupt public officers, especially the ousting of two district attorneys and the disbaring of several corrupt lawyers, probably will be a candidate on the Republican ticket. Allen has been assured of strong support and is being urged to run. His supporters say he will be on the ballot.

Allen's particular strength lies in his dogged perseverance in what ever he undertakes. He is not the figure of a popular politician, but his fight against the rings that surrounded corrupt state officials which he successfully prosecuted has led his followers to adopt a slogan of "Allen for honest public service."

The outstanding Democratic candidate for governor is former Mayor John F. Fitzgerald, familiarly known as "Honey Fitz," who is famous for his rendition of "Sweet Adeline" at political pow-wows. "Honey Fitz" and his favorite song are traditions in Democratic history in Massachusetts.

Harboring a Skunk
North Manchester, Ind., July 10—Joseph Sehanlaub and the members of his family are taking an awful chance, according to neighbors, in harboring a skunk and her four little ones. The smaller animals have become so tame, they enter the chicken yard and eat with the fowls.

Chicago—James H. Mash painter lives up to his promise to produce the formula for perfect feminine physique. Now Frederica Anderson wants her \$100 back.

PATRIOTIC SOCIETIES INVITED TO CONCLAVE

Summoned to Join in an All-American Conclave at Des Moines by G. A. R. Encampment Committee

TO BE HELD SEPTEMBER 24-28

Des. Moines, July 10—Summons to all patriotic organizations in the country to join in an all-American conclave here next September has been issued by the national encampment committee of the Grand Army of the Republic.

Invitations were being mailed today to every patriotic society, not officially allied with the G. A. R., to send special delegations to the fifty-sixth annual encampment of the veterans, which will be held here September 24-28.

Nine patriotic organizations, closely affiliated with the G. A. R., will hold their national conventions in conjunction with the encampment. These are:

The Women's Relief Corps, Sons of Veterans' Auxiliary, Daughters of Veterans, Ladies of the G. A. R., National Association of Army Nurses, National Association of Vicksburg Veterans, National Association of Navy Veterans and National Association of Union Ex-Prisoners of War.

"Unusual significance should be attached to the G. A. R. encampment this year," said George E. Hamilton, secretary of the general executive committee.

"It will be one of the last opportunities younger allied organizations will have to learn the spirit of the '60s. More than 25,000 blue-coated veterans and their thirty five and drum corps will seek to make a lasting impression this year."

MASONIC MEETING

Phoenix Lodge No. 62 F. & A. M. will hold their regular stated meeting Tuesday evening beginning at 7:30.

LICENSED TO WED.

A marriage license was issued Saturday to Walter B. Eich of LaSalle county, Ill., and Miss Mary Frances Sherman, a resident of this county.

Rule With No Exceptions.

When you meet a wealthy old bachelor you may be sure that you have at last encountered a man who has learned to say no and stick to it.

NURSERY FOR BABIES CONVENTION FEATURE

Nurses Provided to Relieve Mothers of Infant's Care While Attending Annual Session

WOMEN'S CLUB IN MEETING

(By United Press)

Chattanooga, Tenn., July 10—Business and professional women from all parts of the United States met here today for the fourth annual convention of the National Federation of Business and Professional Women's Clubs which will be in session until July 16.

One novelty at the convention is a special department for babies who will be brought to the convention by their mothers. Trained nurses are provided for the youngsters and every amusement and special diet that any well brought up baby could desire is on hand. The babies will be parked in the nursery while the mothers are in session and every care will be given them. Dr. Bertha Maxwell Huntington, president of the Pennsylvania State Federation, who lives at Williamsport, Pennsylvania, has announced her intention of being the first mother to take advantage of the convention nursery. It is safe to say that every delegate to the convention will visit the nursery some time during the convention to admire the health and buxomness of the federation babies. Special trains carrying delegates to the convention are expected from Nashville, Atlanta, New York, the northwestern states and the middle states. Ohio, Indiana and Illinois delegates will unite at Cincinnati and arrive at Chattanooga together.

Chicago—A petition ten miles long bearing 3,500,000 names of mid-west school children, was en route to Philadelphia today asking that the Liberty Bell be exhibited in Chicago.

MONUMENTS

Build While You Live

Make the erection of a family or individual monument your own task rather than leaving it to others. We are prepared to help you choose a monument; whether your requirement is a costly monument or a single marker we shall be glad to consult with you about it at your convenience.

1922 COIN CROP A COMPLETE FAILURE

Pocketbooks Are so Full of Silver That United States Mints Will Not Coin Small Money

PENNY CROP IS SHORT TOO

Only \$70,000 Worth Coined This Year First Time in 108 Years No Half Dollars are Coined

By KENNETH W. CLARK
(U. P. Staff Correspondent)
Washington, July 8—The 1922 coin crop a complete failure.

American pockets are so full of silver that there will be no nickels, dimes, quarters, or half-dollars coined this year, F. E. Seobey, director of the mint announces.

As for pennies, only a paltry \$70,000 worth have been coined at the Denver mint, as against \$492,000 worth the preceding year.

"There have been approximately \$46,000,000 worth of pennies coined since the mint began in 1792," said Seobey. "So what's the use of making more, when about the only things you can still buy with a penny now-a-days are lollypops?"

This is the first time in 108 years that half dollars have not been coined; the first time in 93 years that no quarters have been coined; the first time in 97 years that no dimes have been coined; with the exception of the year 1877, the first time in 57 years that no nickels have been coined; and with the exception of the years 1815 and 1823, the first time since the beginning of the mint in 1793, 129 years ago, that so few pennies have been coined.

This is the first year since 1909 that silver dollars have been coined. In 1905, \$8,812,000 silver dollars were coined. This year the order is for \$50,000,000 under the Pittman act, which required that for every dollar melted into bullion during the war to be sent abroad as a loan to our allies, a new silver dollar would be coined when the war was over. About \$150,000,000 in \$20 gold pieces will be coined this year.

REFORESTATION WILL CHECK INSECT RUIN

State Forester Asserts That Ravages of Insects on Farms Would be Prevented by Forests

HIS METHOD IS EXPLAINED

Indianapolis, Ind., July 10—Ravages of insects on farm crops in many places in Indiana now could be checked to some extent by reforestation, according to Charles C. Deam, state forester today.

The more forests there are, according to Deam, the more wild life—especially birds—will there be. The birds as eradicators of insects are highly effective, he said. They are also effective in preventing the spread of weeds for weed-seeds are very delectable morsels to the palates of birds.

He said further that the effects of forests on public health are far reaching. The damp leaves of the trees filter the injurious and unhealthy dust particles from the air in the same fashion that charcoal removes the impurities from rainwater, Deam said.
